Urgent matters

In the event of any matter arising which requires an urgent decision the Clerk will consult with the Chair (or if more appropriate the Chair of the respective committee) before acting on behalf of the Council in respect of the particular matter then under consideration.

That the Council delegates authority to the Clerk in consultation with the Chair and Vice Chair to take any actions necessary with associated expenditure to protect the interests of

the community and ensure council business continuity during the period of the pandemic Coronavirus, informed by consultation with the members of the council.

Planning During Emergency Periods

- i) The clerk will advertise on the council's website links to all planning applications received from the planning authority on the council's website, offering the public the opportunity to let you know of any views. The notice should give a deadline for public comments to the Clerk in writing (suggested 5 working days)

At the same time the clerk will circulate the list with links to all members of the council.

Note: you may find it helpful to do this on a weekly basis working in full weeks for managing the planning process.

- ii) At the end of the public opportunity to comment, the clerk will forward a summary of the public comments received to all members (or members of the relevant committee) for member comments for a period of a further 5 working days. Under GDPR, the clerk should not circulate individual responses without the writer's express permission. T
- iii) Under the Emergency Scheme of Delegation, the Clerk and appropriate members will agree a council response which identifies relevant material considerations and may give local information or opinion. The draft response is then shared with members for 2 days for any comments, before being sent to Cornwall Council with the following statement:

"Due to the restrictions placed on the council as a result of the pandemic Coronavirus (or name of emergency), this response represents the opinion of members of St Dennis Parish Council identified through a consultation process and will be ratified at the next appropriate meeting of the council. "

- iv) The Council's response can then be posted on the council's website.
- v) If the matter is referred back to the council under the 5 day protocol, the Emergency Scheme of Delegation will allow the clerk to take any appropriate action to respond on behalf of the council. As the council's opinion has not been gained through the normal public process, it may be prudent to simply reply that

'due to the restrictions placed on the council as a result of the pandemic Coronavirus (or name of emergency), it has been unable to consult further and therefore has nothing further to add'.

Delegation – Limitations

All decisions taken under delegated authority will be in accordance with the Councils Standing Orders and Financial regulations and this Scheme of Delegation, and where applicable any other rules/regulations and legislation. All decisions will be reported to the first appropriate Council meeting. The Council may delegate the power to make individual decisions on individual items to the Proper Officer/Responsible Finance Officer and its Committees as and when appropriate.
