

2024 Christmas Tree Project Update

Imerys contacted regarding the use of a Cat & Genny to cable survey the ground before installation of the tubing to hold the tree – date and time to be arranged for this.

Wisdom Signs – Banners discussed. Now approved by Councillors that Wisdom Signs should be instructed on this. Consideration on the wording to be looked at before order being placed. Wisdom Signs confirming that a self-adhesive number change can be done, free of charge by them, each year to accommodate change of date.

How many Banners should be ordered and where are they to be placed around the village?

St Dennis Academy School have confirmed that they will be participating in the event. Lantern making to be done by the school. Battery operated tea lights to be provided by the Parish Council.

Approximately 200 Tea Lights will be needed for the whole school, including nursery.

Christmas lights/battery charges/batteries/equipment storage box all now either on order or received.

The cost of the road closure for the event will be £50.
