

St Dennis AGM 2023 Crime Report.

It has been a busy year with many changes to staffing within our neighbourhood team. We now have 19 officers in our team, which consist of one neighbourhood sergeant, 1 safeguarding officer, 8 neighbourhood police officers, 6 PCSO's and three TSSO's, which cover three beat areas, West, Town and East of the sector.

We have recently had a change of station Inspector where Inspector Jolliff has moved on to a new role and we now welcome Inspector Matthew Trevivian to the role.

Inspector Trevivian has been with Devon and Cornwall Police for the last 15 years of his service, local to the area and has worked on response and neighbourhood during his career and is passionate about local policing.

The Devon and Cornwall Police website has been updated and revamped to make it easier to report crime, ASB and incidents online, we are also using webchat and the traditional options of calling.

We're currently unable to give crime figures at this time as our computer system has changed over to a new system and we are currently in transition.

I can give figures on logs that have been reported in the St Dennis parish over the last 12 months and compare them with the previous year.

Reported logs between the 01/04/2021 – 31/03/2022 total = **322**

Reported logs between the 01/04/22 – 31/03/2023 total = **293**
